

Where the Money Goes...
Children's Miracle Network

CMN hospitals impact the lives of more children than any other children's organization in the world. These hospitals provide state-of-the-art care, life-saving research, and preventative education for children 24 hours a day, 365 days a year.

CMN funds are used to enhance the care for children facing cancer, hear and muscular diseases, premature birth, burns, birth defects, cerebral palsy and serious accidents. Children's Hospital of Iowa treats all children, regardless of the child's affliction or the family's ability to pay. Your support of CMN helps ensure that children have the specialized care they need and deserve.
